Position Held: Vice-Chairman

Computer Proficiency:

- Adobe Photoshop
- Adobe Illustrator
- Adobe Dreamweaver (HTML/XHTML/CSS)
- Joomla CMS
- Microsoft Office

- Knowledge in Flash

Languages Spoken and Written: English and Chinese

Project Highlights:

- BOB/HOLA logo design
Logo design for BOB (Best Online Buddy), an educational instant messenger bot. The design was approved but the name was changed to HOLA due to copyright issues shortly after I finished my contract with the company. It was featured in the Straits Times and also at ICP 2009 convention.
(http://marcomm.eenie.org/corporate/acp/hola_edm/index.html)
- Innova Junior College
Website design and implementation for Innova Junior College as well as various other MOE schools. You can view some of these at my portfolio site at <http://www.fauxcomplex.com>.
(<http://www.innovajc.moe.edu.sg/>)
- Science Hub logo design + site implementation
Logo design for Science Hub, a tuition agency, as well as implementing the site in Joomla.
(<http://www.sciencehub.com.sg/>)
- Home Club Smile Event Blog
Blog design for the 'Smile' event held monthly at the club. In charge of both conceptualization and implementation of the project.
(<http://smileathome.blogspot.com>)
- Online and print media for my band, The Oslo Castaways
In charge of all design work for my band, ranging from logo, CD covers, EDM, as well as website design.
(<http://www.theoslocastaways.com>)
- Marriott Hotel CNY EDMs
A set of four EDMs done for Marriott's Chinese New Year celebrations during my internship. Handled the design and layout of the EDMs.
- NYP Games Creation Community Website
Implementation and converting the design into html.
- myNYP Student Portal
Designing prototypes for the student portal during my internship.

- Headhunt EDM

Design and coding of direct mailer for executive jobs magazine, Headhunt.

Professional Strengths:

- Illustration of Vector Graphics
- Web design and conceptualization
- Typography and layout
- Joomla template design and implementation

Personal Strengths:

- Humble and willing to learn
 - Able to work in a team
 - Responsible
 - Hardworking
 - Willing to take direction and instructions
 - Good language skills
 - Proficient with either Mac or PC
-

Hobbies/Pastime Activities:

I play bass guitar for The Oslo Castaways and we have performed in numerous places and gigs including this year's Baybeats at the Esplanade. I also enjoy cycling, basketball, football, fishing and billiards.

Goals:

I am very interested in designing as I know and appreciate the power of good design and aesthetics. I hope to work in an environment where I can learn and excel. I also wish to experience the many different aspects of designing such as advertising/copywriting as I want to be an all-rounded designer.
